

Overview of BCA Programs

A child's placement in our programs is based on available space and each child's developmental readiness, as determined by BCA

Sparrows – Love for Learning Program (1:6 ratio) Age 2.0 - 3's

The Sparrow preschool experience is specifically designed to foster your child's comfortability with school through hands on exploration and play in a nurturing environment.

Requirements: Child must be 2.0 before their start date and does not need to be potty trained.

Our Sparrows program is a blended age classroom providing a structured yet nurturing environment that allows toddlers to grow and learn in a loving, safe and comfortable atmosphere.

Children in the Sparrows program will:

- Experience a caring and warm environment that will shape their positive view of school
- Explore language through Zoo phonics, stories, songs and circle time
- Develop their language skills through immersion and exposure to new words
- Express themselves through daily music, movement and art activities
- Develop physically through daily large and fine motor activities
- Discover pre-math and science concepts through open-ended play experiences with blocks, water and sand
- Develop self-help skills and positive communication skills
- Develop positive social skills social skills through group activities and imaginative play
- Normalize the experience of transitioning throughout their day
- Build skills for accessing teachers as a supportive resource
- Sharpening independent life skills (potty training, eating and getting dressed, with minimal support)
- Learn about God's love for them through Bible stories, chapel time and the care they receive.
